DEPARTMENT OF MECHANICAL ENGINEERING
S R ENGINEERING COLLEGE
Ananthasagar, Warangal - 506371

Date: 15-02-2018

Dear (**ME-IIIrd**)Students

We are going to Conduct a Two day workshop on **"Linear Static Analysis Using Hyper mesh and Abaqus" 23rd & 24th February,2018**. This Programme will be total practise oriented and **Hyper mesh** and **Abaqus** softwares (**student version**) will be installed into the **students' laptop** and trained. In This regards an **Industria**l **Senior Design Engineer,** coming from **Hyderabad**, will take the proceedings of the programme.

- Utilize this work shop that will be very useful for your placements also.

- **NOTE: There Is No Registration Fee**

Number Of Sessions - 4

S.No	Date	Topic
1	23-02-2018	Basic Concepts Of FEM And Introduction To Hypermesh And Basic Concepts
2	23-02-2018	Different Mesh Modelling With An Examples
3	24-02-2018	Introduction To Abaqus And Basic Concepts
4	24-02-2018	Solving The Different Models Using Abaqus

<u>**Faculty Co-ordinators**</u>
1) Mr. D. Srikanth Rao (Assoc. prof)
2) Mr. Ch. Vinay Kumar Reddy (Asst. prof)
3) Mr. L. Radha Krishna (Asst. Prof)
4) Mr. S R V Narsaiah S (Asst. Prof)

B. SATISH KUMAR
Assoc. prof. & HOD
Dept. Of Mech. Engg
